MIDDLE SCHOOL

Calvary Students - Middle School Ministry

At Calvary, we believe that the best way to become more like Jesus is to get connected in a Community Group. We offer Community Groups for our Middle School students on Sunday mornings as a way for them to build healthy relationships with each other and for them to dig deeper into the Word of God. We have amazing leaders that desire to help students grow in their faith and build friendships that last.

AFFIRM

Middle schoolers need to have their personal journey affirmed.

Middle schoolers need people to lean in and say, "Not only do I get you, I smell you, and I *still* like you." It is critical for a middle schooler to know someone thinks they are significant.¹

Don't Miss Your Role

"No one has the potential to influence your son or daughter like you. Yep. That's a lot of pressure. And it can be confusing. You are a mix of teacher, coach, counselor, and friend. So here's a one-sentence job description to keep you focused. . . . AFFIRM their personal journey. Show up consistently to give your kids stability as they navigate changes and discover their potential."²
